

RTG
2467

Intrinsically Disordered Proteins
Molecular Principles,
Cellular Functions,
And Diseases

Prof. Dr. Andrea Sinz
Martin-Luther-University Halle-Wittenberg
Natural Sciences Faculty I - Life Sciences

RTG 2467

Guest Speaker Seminar

March 10, 2025 at 4:00 pm

PD Dr. Jan Grau

Institute of Computer Science
Halle (Saale), Germany

**“Computational methods for
elucidating the binding specificity of
transcription factors”**

Location

Seminar Room E.04.0, Charles Tanford Protein Center
